LOCAL HOCKEY SITUATION  
GROWING MUCH BRIGHTER

Calumet Team Will Be One of the Strongest in League—Mahan, Uksila, and Hogan May Yet Be Signed By Local Management—Fans Becoming Interested.

During the next few days the management of the Calumet hockey team will endeavor to bring together the players who are to try for the team, and it is expected that the first steps of organization will be taken. Since the announcement that N. F. Kaiser would manage the Calumet team this winter, the hockey fans have shown unusual interest and the prospects for a winning team are considered bright. It develops that the management of the Mohawk team has not yet signed either Mahan or Uksila of the old Red Jacket team and that Hogan, formerly of the Laurium team, is still free. If these players choose to play with Calumet, there can be no doubt that a winning team will be secured, but if they elect to play with Mohawk, the situation is altered. The Mohawk management has already secured employment for Uksila and hopes to land all three players. The Calumet team is practically assured of securing Kaiser, Drown, Marcotte, Gray and St. George of the old Red Jacket team, and of the Laurium team Bateman, Reynolds, Osborne, Peters and "Stuke" Herman are available. The situation then dissolves itself into which team will secure Mahan, Uksila and Hogan, admittedly three stars. In Mahan, Hogan, Herman, Marcotte and Gray, the Calumet team could build up a defense that could easily keep the other teams in check, and with the players available a forward line could be secured which could more than cope with that of any team in the league.

The conditions under which the players will play this year will be far more satisfactory than ever before.

WOLVERINES HAVE EARNED  
THE CHAMPIONSHIP TITLE

Honor Will Be More Secure if Marquette Defeats Notre Dame on Thursday—Athletic Relations May Be Resumed Between Michigan and Schools in "Big Eight."

The results of the Saturday football games have satisfactorily cleared up the eastern championship title, but have left the western situation almost as complicated as at mid-season. Had Michigan played up to its true form and soundly trounced Notre Dame and most of the western football critics will admit that the Wolverines could have done this, there would now be no question of the championship. But now, Longman's Catholics, after playing a comparatively easy schedule and meeting only one first class team, has a well established claim to the title.

There is still one hope for Michigan. Notre Dame plays Marquette on Thursday and if the husky boys from the Brewery City can win, one cloud will have vanished from the Michigan claim. Although this is possible, it is not likely in view of the triumph of the Michigan Aggies over Juncos's men. Throughout the east, there is little doubt that Michigan will be considered the true western leader, despite the Notre Dame defeat, and the conference schools of the west will likewise acknowledge the Wolverine's supremacy. However, Yost's men have little hope of a clear title, if Marquette is not returned a victor on Thanksgiving day.

The victory over Minnesota will go a long way towards patching up the differences between Michigan and the big western conference. The big colleges of the west have long recognized the need of football relations with Michigan, and it is now believed that both sides will concede some points, so that the friendly spirit of rivalry may be resumed. Such concessions would be to the advantage of every party concerned and would lead to a higher development of the game.

## WILL TAKE ON WELSH.

Bat Nelson Consents to Fight Clever English Lightweight.

Battling Nelson has finally consented to give Freddie Welsh, the English lightweight champion, the preference over the other fighters in a battle with him, and as soon as Welsh arrives here from England they will be matched to meet in a forty-five round fight at Jimmy Coffey's open air club at Colma, Cal. for the lightweight championship of the world.

"Welsh's victory over Summers, which gave him the title of champion of England, entitles him to a fight with me," said Nelson, "and on that account I have decided to give him the first chance when I have finished up my present theatrical engagement. He must fight me forty-five rounds, as I will not agree to any other distance."

They will receive a larger percentage of the gate receipts and as the price of admission is to be raised, the receipts of the game would undoubtedly be increased. A subscription list will probably be circulated this week to provide a fund for the purchase of uniforms and paraphernalia, and it is thought that the response will be liberal.

The fact that Kaiser is to manage the Calumet team is an assurance that it will be a strong one. Kaiser is popular with the players and the fans, and has the ability to keep the players working together for the common good.

After Thanksgiving day, the rink management will prepare for ice skating at the Palestra, and if ice is available before that time, outdoor hockey practice will be indulged in. A capable trainer will be secured and the players will get into the best possible condition before the opening of the season. The outlook has become much more favorable during the past few days, and it is thought that Calumet will yet have to be reckoned with by the other teams of the league.

HARRINGTON HURTS WRIST  
AND CHAPMAN WINS MATCH

At the end of the eighth hit of the Cornish wrestling match between Tim Harrington of Butte, and Sidney Chapman of Trumountain, at the Calumet theatre, Saturday evening, the former refused to continue, claiming that he had suffered a sprained wrist. A physician who was present examined that member and asserted that there were no bones broken. Referee Will Martin gave the match to Chapman.

Harrington weighed in at 157 while his opponent tipped the beam at 153. The first three hits were very exciting, and demonstrated that the men are quite evenly matched. Chapman had a slight advantage in the last three hits.

In the preliminaries, Paddy Nelson and Walter Chapman provided a fine exhibition. Each man secured one fall, and the contest was declared a draw. Stephen Chapman and John Clarke of Trumountain also wrestled to a draw, both securing one fall. Jack Rowett of Resemer, the heavyweight champion was at the ringside and accepted a challenge from Harrington, to wrestle in three months.

The result of the main match was disappointing to the large crowd of fans present, many of whom had come from out of town. The theater was well filled.

MURPHY INVITES FANS  
TO ADVANCE NEW IDEAS

Chicago, Nov. 22.—Desiring to improve the game of baseball, President Murphy of the Chicago National league baseball club recently invited correspondence with enthusiasts who see some phase in the sport that can undergo betterment.

According to Mr. Murphy, there may be a number of departments wherein improvements can be accomplished, and he is eager to give the folks not officially identified with rule making an opportunity to remodel regulations that now may appear outgrown.

"That's the reason I am going to advocate a school in correspondence for the uplift of baseball," said Mr. Murphy. "There are scores of angles that might stand overhauling and I am heartily in favor of a longer season for the National league owners. Instead of assembling at New York next month for a three days' meeting, why not extend the season, giving six or seven days to the consideration of all these appeals from the enthusiasts? Requests containing real merit will be taken to the league meeting. Now it is up to the people to send on their correspondence."

TRAINING TABLES GET  
BOOST IN CONFERENCE

Iowa City, Iowa, Nov. 22.—"The training table increases the efficiency of the football team fully 20 per cent," said Assistant Coach "Sioux" Jones of the Ames football team when in Iowa City at the times of the Ames-Iowa game. Jones was talking with two of the Iowa coaches after the game. His statement was greeted with emphatic affirmative from the hawk-eyed football instructors.

That there is a growing sentiment throughout the middle west favoring the re-establishment of the training table is the local belief. "Why was it abandoned?" and "Why did the reform wave hit it of all things?" are common questions heard among the Iowa students. When the Iowa students saw the Nebraska system, and then heard from Coach "King" Cole the statement of the improved condition of the men as a consequence, they secretly felt that the cornhuskers had a big advantage over Iowa.

At the present time Iowa is the only member of the Missouri Valley conference which cannot have a training table because of the "big eight" rules. Local undergraduates would have the rule changed in the Chicago conference.

## TRY COBB'S ASSAULT CASE.

"Georgia Peach" Will Stand Trial in Cleveland Today.

Cleveland, O., Nov. 22.—The case of "Ty" Cobb, star batsman and base runner of the champion Detroit American league baseball club, was called for trial in the Common Pleas Court today. The famous ball player is charged with assaulting George Stanfield, a watchman at the Hotel Euclid, during the visit of the Detroit team to this city early last October. An altercation took place, in which Stanfield was badly bruised. Later Cobb made a settlement with the watchman, but the county grand jury took the case up independently and returned an indictment against the ball player.

## PLAY FOR BILLIARD TITLE.

World's Championship Tournament Will Commence Tonight.

New York, Nov. 22.—Billiard admirers will follow with keen interest the world's championship tournament at 132 balking, which begins tonight in the concert hall of Madison Square Garden. Six of the world's most prominent players, classed as "short-stops," have entered, and from the performance of these experts in practice the indications are that the tournament will be one of the most successful ever held in this country. The list of contestants includes the veteran George F. Sisson of this city, George Sutton and Calvin Demarest of Chicago, A. G. Cutler of Boston, Harry Cline of Philadelphia and Firmin Cassaigne of Paris.

The tournament is the first to be played under the auspices of the New

## HOLDS TIGERS HITLESS.

Pedro, a negro pitcher with the Almaden team, let the Detroit Tigers down without a hit in eleven innings Friday at Havana. He would have had a shutout in nine without trouble but for a home run throw which allowed McIntyre to make the circuit. Not another Detroit reached first base. The Cubans won, 2 to 1.

BRUCE STUART TO CAPTAIN  
OTTAWA CHAMPIONS AGAIN

Ottawa, Nov. 22.—Bruce Stuart, whom the Wanderers were after, has closed with the Ottawa hockey club and will again captain the Stanley cup holders. Stuart was offered \$1,500 by the Wanderers and is understood to have closed with the Ottawa for \$1,600, as his home is in Ottawa.

A motion to put the E. C. H. A. 23 a strict business basis will be introduced at the next meeting. It is proposed that teams be allowed to buy, sell and exchange players before a certain date, the league to be operated the same as are organized baseball leagues. The Ottawas are behind the move, which has also in view regulation of salaries and a limit on salaries to players will also be fixed.

## LIPTON WILL CHALLENGE.

In all likelihood, Sir Thomas Lipton will issue a challenge to the United States for an international yacht race. The English yachtsman, who has been in this country for about three weeks, was the guest of honor of the trustees of the Matchmont Yacht Club in New York at a beefsteak dinner. While the topic was not broached at the dinner, Sir Thomas is said to have come to an understanding with the New York Yacht club in the matter regarding conditions under which another race for the America cup may be sailed in 1911. It is also said that in due time a challenge will be forwarded to this country. The deft, it is said, will be so drawn up that it will probably be accepted at once.

During the first half, both carried the ball on plunging for long gains, half the length of the field for touchdowns. In the second half Minnesota could do nothing with Michigan's powerful line and the Wolverine ends were rarely unable to stop the Gopher attack. Michigan tore big holes in the Minnesota line and kept the ball in Gopher territory most of the time.
